

Seattle Children's Continuing Medical Education

Caring for Children with Autism Spectrum Disorders (ASD) in Your Practice: Practical Strategies

**Saturday
October 10, 2015**

**Seattle Children's
Wright Auditorium**

Presented by:

Course Description

This course will provide primary care practitioners (PCPs) and their staff practical strategies for the management of children with autism spectrum disorder (ASD) in the clinical setting. National and state experts will discuss common medical, behavioral, and mental health issues; practice-based tools; resources; and accessing services.

Who Should Attend

- Pediatricians
- Family Physicians
- Physician Assistants
- Residents
- Nurse Practitioners
- Nurses

Course Location

Seattle Children's Wright Auditorium
4800 Sand Point Way NE
Seattle, WA 98105

Map & directions will accompany your confirmation email.

Course Objectives

Participants will be able to:

- accessing Applied Behavioral Analysis (ABA) services for children with ASD
- diagnosis and management of comorbid conditions with ASD
- building an office-based system for consistent, efficient, and effective management for children with ASD
