

## Additional Resources

This project was made possible through the work of the Combating Autism Advisory Council organized through support by the Washington State Department of Health “Autism Awareness: Partnership for Change” grant and University of Washington Leadership Education in Neurodevelopmental and Related Disabilities (LEND) “Combating Autism Expansion” grant. We would like to give special thanks to Maria Nardella, CSHCN program manager, for her support of this project.

The CAM technical assistance team consisted of:

1. Carol Miller, MPH      Department of Health, Children with Special Health Care Needs  
    a. Program, Autism Grant Coordinator
2. Kate Orville, MPH      Co-Director of the WA State Medical Home Leadership Network
3. Sue Wendel, OTR      Faculty for UW LEND Program
4. Amy Carlsen, RN      Faculty for UW LEND Program, Consultant for the WA State MHLN and parent of a child with autism.
