

# PROVIDENCE BOYDEN FAMILY AUTISM CENTER PRESENTS:

## CENTERS OF EXCELLENCE GROUP

Are you a recently minted COE? Have you been a COE for a bit but still have questions about how to ensure accurate diagnoses for your patients? Are you an experienced COE that would like to help support the newer COEs in your community? Then this group is for you!

Presented by our Diagnostic Clinic team, this group will offer training on implementation of the ADOS, overview of a recent case study, and a Q & A period for all in attendance. The intention of this group is to support COEs in achieving confidence and competency in carrying out diagnostic assessments.

### WHEN? WHERE?

Second Wednesday of the month, 12p – 1p

Via Teams (link shared in email invite)
