

WASHINGTON STATE AUTISM CENTER OF EXCELLENCE (COE) CERTIFICATION TRAINING

FRIDAY, SEPTEMBER 11, 2026 8:30-4:30 PT
FRIDAY, DECEMBER 11, 2026 8:30-4:30 PT

CENTER OF EXCELLENCE (COE) certification allows eligible providers to diagnose autism spectrum disorder for pediatric patients with WA State Medicaid insurance and write a covered prescription for ABA if medically necessary.

Who should attend?

MD, DO, ARNP, PMHNP, ND and PA-C who would like to diagnose autism and serve medicaid eligible youth.

SLPs, OTs, mental health clinicians, care coordinators, and other partners in evaluating or caring for autistic children and youth are welcome.

Information

The free Live ZOOM COE training focuses on current research and thinking regarding the evaluation, treatment and continuing care for autistic children and youth and their families

What is covered in the training?

- Getting support from your administration
- Screening, evaluation and diagnosis
- Differential diagnosis and co-occurring diagnoses
- Diagnostic evaluation models
- Applied Behavioral Analysis (ABA) and other interventions, documentation, billing codes and orders
- Lived experience perspectives from autistic and family advocates
- Advice from current community COE clinicians
- Resources for families
- ECHO Autism Washington and other follow up support
- Q & A and connect with regional partners
